

Westlife, I'm Already There

He called her on the road
From a lonely cold hotel room
Just to hear her say I love you one more time
But when he heard the sound
Of the kids laughing in the background
He had to wipe away a tear from his eye
A little voice came on the phone
Said daddy when you coming home
He said the first thing that came to his mind
Im already there
Take a look around
Im the sunshine in your hair
Im the shadow on the ground
Im the whisper in the wind
Im your imaginary friend
And I know Im in your prayers
Oh Im already there
She got back on the phone
Said I really miss you darling
Dont worry about the kids theyll be alright
Wish I was in your arms
Lying right there beside you
But I know that Ill be in your dreams tonight
And Ill gently kiss your lips
Touch you with my fingertips
So turn out the light and close your eyes
Im already there
Dont make a sound
Im the beat in your heart
Im the moonlight shining down
Im the whisper in the wind
And Ill be there until the end
Can you feel the love that we share
Oh Im already there
We may be a thousand miles apart
But Ill be with you wherever you are
Im already there
Take a look around
Im the sunshine in your hair
Im the shadow on the ground
Im the whisper in the wind
And Ill be there until the end
Can you feel the love that we share
Oh Im already there
Oh Im already
There
