Westlife, If I Let You Go (Radio Edit)

Day after day
Time passed away
And I just can't get you out of my mind
Nobody knows, I hide it inside
I keep on searching but I just can't find
The courage to show to let you know
I've never felt love like this before
And once again I'm thinking about
Taking the easy way out

[CHORUS]
But if I let you go I will never know
What my life would be holding you close to me
Will I ever see you smiling back at me ? (oh yeah)
How will I know if I let you go ?

Night after night I hear myself say
Why don't this feeling just fade away
There's no one like you (no one like you)
You speak to my heart (speak to my heart)
It's such a a shame we're worlds apart
I'm too shy to ask, I'm too proud to lose
But sooner or later I gotta choose
And once again I'm thinking about
Taking the easy way out

[CHORUS]
If I let you go I will never know
What my life would be, holding you close to me
Will I ever see you smiling back at me? (oh yeah)
How will I know if I let you go ?

If I let you go ooooh baby
Oooooooooohhhhh
Once again I'm thinking about
Taking the easy way out

[CHORUS (repeat to fade)]
