

# Westlife, One Last Cry

My shattered dreams and broken heart  
Are mending on the shelf,  
I saw you holding hands  
Standing close to someone else

Now I sit all alone  
Wishing all my feelings were gone  
I give my best to you, nothing for me to do

But have one last cry, one last cry before i leave it all behind  
I gotta put you outta my mind this time, been living a lie  
I guess im down to my last cry...cry

I was here, you were there  
I guess we never could agree  
While the sun shines on you  
I need some love to rain on me

Still I sit all alone  
Wishing all my feelings were gone  
Gotta get over you  
Nothin' for me to do

But have one last cry, one last cry before I leave it all behind  
I gotta put you outta my mind this time, been living a lie  
I know i gotta be strong cause my life goes on and on and on and onnnnn

(Break)

Im gonna dry my eyes right after i have my  
One last cry, one last cry before i leave it all behind  
I gotta put you outta my mind for the very last time, been living a lie  
I guess im down  
I guess im down  
I guess im down to my last cryyyyyyyyyy
