

Westlife, Pictures In My Head

Pictures In My Head

Verse 1

Thank you for tomorrow when you're gonna call me
Thank you for the weekend when you're gonna see me
Thank you for the memories we haven't made yet
You've always been a part of me, even before we met
Thank you in advance for the love you'll give me
I've had a glance of the good life
You'll be there when nobody believes me
I've gone through it all in my mind

Chorus

I can see me looking at you
At the start of the day for all my life
I can see me dieing to hold you
On the way when I'm driving home at night
I've got these pictures in my head
These pictures in my head, yeah
I've got these pictures in my head
These pictures in my head

Verse 2

Thank you for tomorrow when you're gonna call me
Thank you for the weekend when you're gonna see me
Thank you in advance for the time you'll notice
I'm all you've wanted all of your life
Thank you for every single moment
I've gone through it all in my mind

Chorus

Bridge

Thank you for the best times, thank you for the journey.....

Chorus

I can see me looking at you
At the start of the day for all my life
I can see me dieing to hold you
On the way when I'm driving home at night
I can see me looking at you
At the start of the day for all my life
I can see me dieing to hold you
On the way when I'm driving home at night
I've got these pictures in my head
These pictures in my head, yeah
I've got these pictures in my head
These pictures in my head
