

Westlife, Walk Away

Here we are
Just a little older
Time goes by
But did I ever tell you why
I want you so much
It came to me
When you were not around
You'll always be
The one to understand that's why
I can't miss your touch

All my life
I waited for someone
And all this time
You were the one
So

If you want a man that is here to stay
Swearing he's forever true
I'll never walk away
I'll never give up on you
And if you want a love that will save the day
No matter what you're going through
I'll never walk away
I'll never walk out on you

I've been a fool
I didn't see behind
The friend in you
And baby don't you ask me why
It just couldn't be love
Cause from the start
You would be the one
To cure my heart
But I just didn't look this way
And now I can't get enough

All my life
I waited for someone
And all this time
You were the one, so

If you want a man that is here to stay
Swearing he's forever true
I'll never walk away
I'll never give up on you
And if you want a love that will save the day
No matter what you're going through
I'll never walk away
I'll never walk out on you

And with a kiss you turned my world around
The greatest rush of all was to be found
Oh yeah
You changed my whole life
Coloured up the dark skies
And this I promise you

If you want a man that is here to stay
Swearing he's forever true
I'll never walk away
I'll never give up on you
And if you want a love that will save the day
No matter what you're going through

I'll never walk away
I'll never walk out on you
