

# Westlife, Walk Away (Maybe)

bryan:

here we are just a little older time goes by  
but did i ever tell you why i want you so much  
it came to me when you where not around you'll  
always be the one to understand thats why i cant miss your touch

bridge:

all my life i've waited for someone  
all this time you were the one so

chorus:

if you want a man that is here to stay  
swearing he's forever true  
i'll never walk away i'll never give up on you  
and if you want a love that will save the day  
no matter what you're going trough i'll never walk away  
i'll never walk out on you

nicky:

i've been a fool i didnt see behind  
the friend in you and baby dont you ask me why  
it just couldnt be love

shane:

cause from the start you would be the one to cure my heart  
i just didnt look this way now i cant get enough

bridge

chorus

mark:

and with a kiss you turned my world around  
and the greatest rush of all was to be found  
oh yeah  
you changed my whole life  
you coloured up the dark skies and this i promise you

chorus
