

# Westlife, When You're Looking Like That (Single

She's a 5 foot 10 in catsuit and bambi eyes  
Everybody's who's staring wouldn't believe that this girl was mine  
I should have know I was wrong  
When I left her for a life in pity  
But they say you never miss the water until it's gone

Guess I failed to love you  
And you're taking it out tonight

How am I supposed to leave you now  
When you're looking like that  
I can't believe what I just gave away  
Now I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that

She's all dressed up for glamour and rock and roll  
Wanna squeeze her real tight get out of this place  
If only I could take control

But she is out of my reach forever  
And just a week ago she lied next to me  
It's so ironic how I had to lose just  
To see that I failed to love you  
And you're taking it out tonight

How am I supposed to leave you now  
When you're looking like that  
I can't believe what I just gave away  
Now I can't take it back  
I don't wanna get lost  
I don't wanna live my life with out you  
How am I supposed to leave you now  
When you're looking like that

I don't wanna forget you  
I don't even wanna try  
How am I supposed to walk on by when you're looking like that

How am I supposed to leave you now  
I can't believe what I just gave away (oh no)  
Now I can't take it back  
I don't wanna get lost  
I don't wanna live my life with out you  
How am I supposed to leave you now  
When you're looking like that

How am I supposed to leave you now  
When you're looking like that  
I can't believe what I just gave away  
Now I can't take it back  
I don't wanna get lost  
I don't wanna live my life with out you  
How am I supposed to leave you now  
When you're looking like that
