

# Westworld, Sonic Boom Boy

Someone found me in a groove  
Why my heart belongs to you  
Well, at the end of that you came in  
Ah, you take my breath away  
'Cause I'm flyin' high on a rocket in the sky  
Sonic boom boy  
Ha. Sonic boom boom boy

In the stars I see your eyes  
They come to me all the time  
??? back to me now  
In they come slow down  
'Cause I'm flyin' high on a rocket in the sky  
Sonic boom boy  
Ha. Sonic boom boom

No one would believe me  
This thing could be so easy  
Just say what's all in my mind  
I'll be round some time  
I'm flyin' high on a rocket in the sky  
Sonic boom boy  
Ha. Sonic boom boom boy  
I'm flyin' high on a rocket in the sky  
Oh, yeah  
I'm flyin' high on a rocket in the sky  
Sonic boom boy  
Ha. Sonic boom boom boy  
Sonic boom boy
