Watch out!... Here comes the spider  
Crawling down the wall

Jump down ya shirt bite your neck  
Throw ya on the ground wit cho  
Mind in a fury  
Cause all ya do is just scurry  
You say

Make a decision  
And I'll tell what it's all about

Ohhh What bezeerk  
A spider down me shirt  
Say Ohhh what bezeerk  
Got a spider down my shirt I  
Jump out my sleep  
Down the avenue  
In my green red Isuzu

Once love turn to hate  
O I wish I knew how this would end  
Wish I knew how this would end
