

# Wet Wet Wet, I Don't Believe (Sonny's Letter)

You, you, you were my first love  
You, you were my last  
And I was coming on strong, coming on strong,  
Coming on strong  
I could feel the love, I could feel your love  
Coming through your heart  
What did you do with your attitude blues  
To make you feel alright

They'll make you, they'll break you  
They'll put you back together  
Again and again and again and again  
I don't believe that the price isn't high enough  
I just don't believe

There ain't no mountain high enough,  
There ain't even a mountain  
Just put your hands together  
For the sake of sonny's letter  
It's a crime, it's a sign, it's a time,  
It's a fine, it's your daily dime  
So just put your hands together  
For God sakes sonny's letter

They'll make you, they'll break you  
They'll put you back together  
Again and again and again and again

I don't believe that the price isn't high enough  
I just don't believe

No I don't believe  
I don't believe we can't do the streets

You, you, you were my first love  
You, you were my last  
And I was coming on strong, coming on strong

They'll make you, they'll break you  
They'll put you back together  
Again and again and again and again  
I don't believe that the price isn't high enough  
We don't believe
