Wet Wet Wet, Maybe I'm in love

Fly, to fly like a bird, To heavens above, On the wings of love. Shine, to shine like the sun, And warm up my life, And make it all worthwhile, yeah Hand in my heart, it tears me apart When Im away When I come home Dont wanna be on my own I said baby maybe Im in love Life, to have and to hold To cherish the love That we could share together High, as high as the moon The stars in the sky Beyond them Id take you and I Hand in my heart, it tears me apart When Im away When I come home Dont wanna be on my own I said baby just maybe Im in love Yeah, blow blow blow blow Yeah, all the way Fly, to fly like a bird To heavens above On the wings of love Hand in my heart, it tears me apart When Im away When I come home Dont want to be all alone I said baby oh baby Im in love With you Im in love with you
