

Wet Wet Wet, Strange

Start making sense
Of everything I've seen before, well, um
Somewhere in my life
Been paying the price
But that ain't enough anymore, well
Don't get me wrong now baby
Don't get me wrong baby

Strange, strange, strange
Things that happen to me
I don't know if I'm coming or going, baby, well
Strange, strange, strange
Things you keep on doing
Something's getting outta control

Can't help myself
To everything I'm looking for
No, no, no
Sometimes I can't explain
Why I go insane
It just isn't fun anymore, well
Don't get me wrong now baby
Don't get me wrong baby

Strange, strange, strange
Things that happen to me
I don't know if I'm coming or going, baby, well
Strange, strange, strange
Things you keep on doing
Something's getting outta control

Outta control

Yeah

Shame on you

Don't get me wrong now baby
Don't get me wrong baby

Strange, strange, strange
Things that happen to me
I don't know if I'm coming or going, baby, well
Strange, strange, strange
Things you keep on doing (keep on doing)
Something's getting outta control
Yeah, yeah, yeah, yeah, well

Strange, strange, strange
Things that happen to me
I don't know if I'm coming or going, baby, well
Strange, strange, strange
Things you keep on doing (keep on doing)
Something's getting outta
Something's getting outta
Something's getting outta control

Outta control

Yeah, yeah, yeah, yeah, yeah

Strange, strange, strange
Things you keep on doing
Strange, strange, strange

Things that happen to me
Strange, strange, strange
Things you keep on doing
Strange, strange, strange
Things that happen to me
To me, to me
Yes I will
Yes I will
No, wooh
