Wham!, Blue

Every day it seems my smile's a little harder And every day, I seem to laugh a little less Living this way, it seems my sky's a little darker You went away and left me lonely in success

(Can't you see I'm falling apart) (Repeat) Can't you see what's happenin' to me

Take this hand and show my fingers where my heart is Understand, you may just save me from despair Watch this man, you'll see he can't stop what he has started Take this hand, you'll see right now there's no-one there

(Can't you see I'm falling apart) You laugh at me as I fall (Can't you see I'm falling apart) Just tell me, tell me, give me one good reason

Armed with love, I could save my heart But on my own I just can't make it I'm too weak to fight, so take it Armed with love, I could save my heart But instead I watch you die

Armed with love, I could save my heart But on my own I just can't make it I'm too weak to fight, so take it Armed with love, I could save my heart Tell me why am I so blue. (return to top)
