

Whatever It Takes, A Day In The Life Of A Businessman

<i>(Verse)</i>
a rich bastard in his office laughing
while his slaves downstairs
lives are crashing

(Chorus)
so take this job asshole
and shove it

cause, I'm not working for you anymore
I refuse to be your whore...

(Verse 2)
so we stand and fight this shit,
this is where our revolution begins...

(Bridge)
death of a businessman
