## Wheatus, Hey Mr. Brown

Man I think it's just a little sleazy You said you was like butter but you're cheesy To treat me like I'm spinner bait you can't wait, go fish off some other dock.

[Chorus] Hey, Mr. Brown, don't have a cow. Just compensate me! Hey, Mr. Brown, don't have a cow. Just compensate me! Hey, Mr. Brown, don't have a cow. Just compensate me! You're gonna have to prove it to me.

If I don't call you back your head spins If I told you what I think you'd shit your linens "It's just another interview, nothing new" But they don't even know my name.

[Chorus]
