

Wheatus, Sex has come between us

Ah,ah,ah

Sex has come between us
(come between us,come between us)

Sex has come between us
(come between us,come between us)

You were my best friend (best friend)

Weve been trough much together

And you have seen me (seen me)

In both good and bad weather

Someone had asked me

Ida said "Never!"

You kissed me and i kissed back

Boy and a girl,its a natural fact

Sex has come between us
(come between us,come between us)

Sex has come between us
(come between us,tween,t-t-tween us)

Everything has changed

Its getting dull and strange

Sex has come between us

Okay

It was Sunday night (it was Sunday night)

You came over for a coffee

And we stayeed up all night (and we stayed up all night)

Getting closer just talking

Someone had asked me

And Ida said "No way!"

You touched me and i touched back

Girl and a boy in a natural act

Sex has come between us
(come between us,come between us)

Sex has come between us
(come between us,tween,t-t-tween us)

Everything has changed

Its getting dull and strange

Sex has come between us

You turn,turn me on

I never thought,thought u would

Is that a big,big mistake?

Or is this something good?

Sex has come between us
(come between us,come between us)

Sex has come between us
(come between us,tween,t-t-tween us)

Everything has changed

Its getting dull and strange

Sex has come between us

Everything has changed

Its pitiful and strange

How we rearrange

Sex..has come between us

Sex has come between us
(come between us,come between us)

Sex has come between us
(come between us,tween,t-t-tween us)

Everything has changed

Its getting dull and strange

Sex has come between us

You were my best friend
