

Wheel Catherine, Don't Want To Know If You Are

(written by Grant Hart)

I'm curious to know exactly how you are
I keep my distance but my distance is too far
It reassures me just to know that you're okay
But I don't want you to go on leading me this way
And I don't want to know if you are lonely
Don't want to know if you are less than lonely
Don't want to know if you are lonely
Don't want to know, don't want to know
The day you left me left me feeling oh so hurt
Still I'm not sure about all the doubts we had
>From the beginning we both knew it wouldn't last
Decisions have been made, the die has been cast
And I don't want to know if you are lonely
Don't want to know if you are less than lonely
Don't want to know if you are lonely
Don't want to know, don't want to know
Don't want to know
Don't want to know
Don't want to know
Don't want to know
Don't want to know
Don't want to know, know
The phone is ringing and the clock says four AM
If it's your friends then I don't want to hear from them
Please leave a number and a message at the tone
Or you can just go on and leave me alone
And I don't want to know if you are lonely
Don't want to know if you are less than lonely
Don't want to know if you are lonely
Don't want to know, don't want to know
Don't want to know if you are lonely
Don't want to know if you are less than lonely
Don't want to know if you are lonely
Don't want to know
