

# Wheel Catherine, Let Me Down Again

Can't even think about tomorrow

I feel so bad that I can't swallow

Aah-oh

Aah-oh

Don't even think I might forgive it

You let me down again

You let me down again

You let me down again

You let me down again

I can't imagine pain much deeper

Hot pleasure dripping from my fingers

Aah-oh

Aah-oh

You let me down again

You let me down again

You let me down again

You let me down again

You let me down again

You let me down again

You let me down again
