

Wheel Stealers, 2 Beautiful

(ChOrUs 1)

She's just too wonderful, she's just too sweet,
She's just too beautiful, beautiful for me.

A girl like you has got to have about a hundred guys just waiting in line on her,
A girl like you wouldn't give a guy like me the time of day for sure.
But I can't help wonderin what it would be like to have someone like you in my life,
Even though I know it's just a hopeless fantasy,
Coz you're too beautiful for me.

(ChOrUs 2)

Too lovely, too sweet, too irresistible to every guy you meet,
Too wonderful, too fine, too unapproachable ever to be mine.
No, not in this lifetime, so why bother even try?
I Try I Try

A girl like you makes a guy like me,
I wanna hand over my life, my heart.
But the problem is, every time you get close,
Wanna tell you but I don't know where to start.
For all the chance in hell of getting with you,
I might as well be a freak in the zoo.
We don't belong together, anyone can see,
Coz you're too beautiful.

(Chorus 2)

Why bother even trying, trying, try.
She's just too wonderful, she's just too sweet,
She's just too beautiful and beautiful for me.
If we ever got together some day, I know exactly what people would say,
They'd say, "Hey look, there goes Beauty and the Beast", coz you're too beautiful.

(Chorus 2)

She's just too wonderful, she's just too sweet,
She's just too beautiful, too beautiful for me...
