

Whiskey Rebels, Sacto United

Sacto Sacto, where we're from
Drinking, fighting, having fun
Sacramento, my home & my roots
Through blood, through paint, through booze, through boots
I've got pride where I reside
Where all my friends are by my side
I don't think I could ever leave
My home, my pride, my memories
Sacto, United and strong
Undivided, We can't go wrong,
I drink booze and got tattoos
And you might say that I'm born to lose
but I got pride, I live to win
Don't take no shit, a most hated skin
Show us love and you get love back
Show us hate and you get jacke
Lifestyles of working class
To live and die in Sac
