

Whiskeytown, Everything I Do

when I see the moon,I hear the sound of the stripjust calling my name
just calling my name

when I see the moon,I hear the sound of the strip
just calling my nameyeah it's calling my name

man, I love the feelingwhen I go out
dancing with the women at the bar

man, I love the feelingwhen I go out

I always know my woman's close somewhere

my daddy saw the moon,heard the sound of the stripit called out his name
it called out his name

my daddy saw the moonand heard the sound of the stripyeah it called out his nameand it called his
man, I love the feeling

when I go out

dancing with the women at the bar

man, I love the feeling

when I go out

I always know my woman's close somewhere

close somewhere

when you see the moon,hear the sound of the stripyeah call out my name

yeah call out my name

and if you see the moon,hear the sound of the strip

yeah call out my name

yeah call my friend's names too

man, I love the feelingwhen I go out

dancing with the women at the bar

man, I love the feelingwhen I go out

I always know my woman's close somewhere

close somewhere
