

# Whiskeytown, Hipshake

Well, the girls where I live  
They dance all night  
To the sound of the radio  
Blasting from the stereo  
Rock and roll hair-do  
Fan in the window  
Boyfriends out of town -- what they gonna do?

□

Well the girls in New Orleans  
They dance all night  
In the bar with their boyfriends  
All way to Algiers ???  
You take the ferry, and I'll take the cab  
You meet me later and we'll know we been had  
Doing the hipshake  
They do the hipshake
