

Whiskeytown, My Heart Is Broken

my heart is broken
my love is gone
i live without you
your pillow cold
i am forsaken
i can't go on
my heart is broken
my love is gone

if i hadn't cheated
while you were gone
the well that we'd
been drinkin from
wouldn't a dried
and turned cold

my days are empty
my nights are long
five cups of coffee
for the years gone wrong

if i hadn't cheated
while you were gone
the well that we'd
been drinkin from
wouldn't a dried
and turned cold

my days are empty
my nights are long
my heart is broken
my love is gone
my love is gone
