

# White Kaps, Get Beer

i don't want to go to work, i just wanna  
get beer  
you say what you want to say, i just wanna  
get beer  
you say that i'm a jerk, don't care  
get beer  
you go straight thats your quirk, i just wanna  
get beer  
live in your life, i'll live mine, i just wanna  
get beer  
i'll drink beer of any kind, i just wanna  
get beer  
when i drive i never swerve, i just wanna  
get beer  
you go straight and i'll curve, i just wanna  
get beer  
go to town to get some beer  
oh yeah, thats what i'm doing here  
you live your life so clean cut  
but it's not my life thats in a rut  
get beer
