

White Kaps, Whitekap Rock

going to a backyard party tonight
Saturday night and i'm feeling alright
kats and kittens are swinging in the yard
that one there forgot her a.s.b. card
and rock, whitekap rock
oh my god whats poking through her tongue
am i getting older, or am i just dumb
i like the one with the nose and belly ring
there's no way i'm piercing my ding-a-ling
and rock, whitekap rock
