

White Lion, Love Dont Come Easy

There comes a time when baby you and me
We gotta work it out whatever it will be
It feels so right but somewhere deep inside
You dont know how you feel you dont know if its real

Chorus:

Do you want it
Do you need it
'cause Love don't come easy
Do you want it
Do you need it
'cause Love dont come easy

There comes a time when you wake up one day
Not knowing if our love will take us all the way
And suddenly Oh you feel you must decide
If we should carry on with what we've just begun
You know that it aint always easy
You know that it aint always right
When love finds a place in your heart

Chorus

You can walk out through this open door
Just like so many times before
And if you don't find what you're looking for
You may be lost forevermore

Oh yeah
Oh you know that it ain't always easy
You know that it ain't always right
When love finds a place in your heart

There comes a time
When baby you should know
If we're gonna make it
You gotta let it show

I can't wait to find out in the end
That you will not be standing
Right here by my side

Chorus
