

White Zombie, Electric Head Pt2

We all go down for the sacrificial moment
Crucifixion nails stain the bed of the holy.
Space thing blues diamond studded - sugar coated
Well, I am hell a miracle overloading

Chorus:

Turn me on yeah
Electric head - all over
Turn me on yeah
Electric head - all over

We all go down for the God of the moment
Super demon seed running wild and below and
Head trip news turn a trick to the flow and
Sugarland Express what you know and
Get inside get in there
Evil in your eyes baby I don't care
Get inside get in there
See the flesh falling everywhere

Chorus

Get inside get in there
Evil in your eyes baby I don't care
Get inside get in there
See the flesh falling everywhere

Chorus

We all go down for a piece of the moment
Watch another burn to the death to the core
And the roadshow thrills pack the freaks and the phonies
Sing: now is now, yeah! All I ever wanted

Chorus
