## White Zombie, Super-Charger Heaven

Jesus lived his life in a cheap hotel on the edge of Route 66 yeah He lived a dark and twisted life and he came right back just to do it again - Eye for and eye and a tooth for the truth - I ain't never seen a demon warp deal'n a ring-a-ding rhythm or jukebox racket my mind can't clutch the feeling - yeah!

DEVILMAN - DEVILMAN - calling DEVILMAN running in MY HEAD YEAH DEVILMAN - DEVILMAN - calling DEVILMAN running in MY HEAD YEAH

Hell hounds lead at the cowardly kings
And carry souls across the river Styx
yeah! They see no evil and feel no pain
Sucking juice from a fallen angel - I dreamed
I was a super nova fucker nitroBurning and fuel injection - Feed the gods a strychnine
Soul a motherfucker of invention

DEVILMAN - DEVILMAN - calling DEVILMAN running in MY HEAD YEAH DEVILMAN - DEVILMAN - calling DEVILMAN running in MY HEAD YEAH

Yeah inbreed the witches and woship the dogs Deformed and fuck'n lazy Damn yourself and choke On my name I'd love to love ya baby Deadringer rats swinging in the trees Immaculate conception Bury me an angel God I need some inspiration

DEVILMAN - DEVILMAN - calling DEVILMAN running in MY HEAD YEAH DEVILMAN - DEVILMAN - calling DEVILMAN running in MY HEAD YEAH
