

Whitesnake, Ain

Aint no love in the heart of the city,
Aint no love in the heart of town.
Aint no love, sure nuff is a pity,
Aint no love cos you aint around.
Baby, since you been around.

Aint no love in the heart of the city,
Aint no love in the heart of town.
Aint no love, sure nuff is a pity, child
Aint no love cos you aint around.

Every place that I go,
Well, it seems so strange.
Without you love, baby, baby,
Things have changed.

Now that youre gone
Yknow the sun dont shine,
From the city hall
To the county line, thats why
Aint no love in the heart of the city,
Aint no love in the heart of town.
Aint no love, sure nuff is a pity,
Aint no love cos you aint around.

Every place that I go,
Well, it seems so strange.
Without you love, baby, baby,
Things have changed.

Now that youre gone
Yknow the sun dont shine,
From the city hall
Woman, to the county line, thats why
Aint no love in the heart of the city,
There aint no love in the heart of town.
There aint no love, sure nuff is a pity,
Aint no love cos you aint around.

(Solo)

There aint no love in the heart of the city,
There aint no love in the heart of town.
Aint no love, sure nuff is a pity,
Aint no love cos you aint around,
Cos you aint around.
