

# Whitesnake, Anything You Want

I need your love to get me through  
All the things I wanna do,  
Babe, if you want me to  
Ill get on my knees for you  
But, you gotta give me a little sign,  
You got the same thing on your mind  
Every day an every night  
Give me the green light  
An let it roll, let it ride,  
Ill be your dog til youre satisfied  
Ill be your puppet on a string  
Cos for a spoonful of your sugar  
I would do anything  
Anything you want,  
Anything you need  
Anytime at all  
It is so hard for you to see,  
I just love your company  
An there aint nothing I wont do,  
Just to prove my love to you  
An let it roll, let it ride,  
Ill be your dog til youre satisfied  
Ill be your puppet on a string  
Cos for a spoonful of your sugar  
I would do anything  
So baby, try to understand  
I was born to be your man  
Dont keep me knocking at your door,  
Just tell me yes or tell me no  
An let it roll, let it ride,  
Ill be your dog til youre satisfied  
Ill be your puppet on a string  
Cos for a spoonful of your sugar  
I would do anything  
Anything you want,  
Anything you need
