

Whitesnake, Anything You Want

I need your love to get me through
All the things I wanna do,
Babe, if you want me to
Ill get on my knees for you
But, you gotta give me a little sign,
You got the same thing on your mind
Every day an every night
Give me the green light
An let it roll, let it ride,
Ill be your dog til youre satisfied
Ill be your puppet on a string
Cos for a spoonful of your sugar
I would do anything
Anything you want,
Anything you need
Anytime at all
It is so hard for you to see,
I just love your company
An there aint nothing I wont do,
Just to prove my love to you
An let it roll, let it ride,
Ill be your dog til youre satisfied
Ill be your puppet on a string
Cos for a spoonful of your sugar
I would do anything
So baby, try to understand
I was born to be your man
Dont keep me knocking at your door,
Just tell me yes or tell me no
An let it roll, let it ride,
Ill be your dog til youre satisfied
Ill be your puppet on a string
Cos for a spoonful of your sugar
I would do anything
Anything you want,
Anything you need
