

Whitesnake, Don't Mess With Me

Fly like an eagle,
An outlaw of the sun,
Stealing round your bedroom door
A case of hit n run.
Sinner, sinner,
Im no angel you can see.
So I will tell you now
And I wont say it again,
Dont mess with me
Oh baby, dont mess with me.
Ride like a demon,
The devils only son.
A whiskey drinking son of a bitch,
Ive only just begun.
Sinner, sinner,
Im no angel you can see.
I told you once before
And I wont say it again,
Dont mess with me,
Dont mess with me.

(Solo)

Soothe me baby like I soothe you,
Treat me baby like I treat you.
Soothe me baby like I soothe you,
Treat me baby like I...
Fly like an eagle
An outlaw of the sun,
Never take what sleeps around
But, always get your fun.
Sinner, sinner,
Youre no angel I can see.
I told you once before
And I wont say it again,
Dont mess with me,
Dont mess with me.
Cos Im a sinner
And sinners aint the loving kind.
