

# Whitesnake, Don't Turn Away

You say your dreams are burned to ashes  
And your smiles have turned to tears,  
It seems to me you welcome sanest  
As you surrender to your fears.  
So whats a man like me supposed to do  
When all I want is just to make love to you.  
Dont turn away, before the night is over.  
Dont turn away, before the night is gone.  
Dont turn away, the night may hold the answer  
So dont turn away, before the night,  
Before the night is gone.

You say your heart is lost forever  
And youre always gonna give your love in vain.  
So you paint yourself a lonely portrait  
And hide your love away again.  
You turn away from what you feel inside,  
You cant forget all your foolish pride.  
Dont turn away, before the night is over.  
Dont turn away, before the night is gone.  
Dont turn away, the night may hold the answer.  
So dont turn away, before the night is gone.

(Solo)

So now Im asking you this question  
Am I gonna give you all my love in vain.  
Do you wanna drown in your own sorrow  
Or are you gonna try to love again.  
Dont turn away from what you feel inside,  
You should try to forget about all your foolish pride.  
Dont turn away, before the night is over.  
Dont turn away, before the night is gone.  
Dont turn away, the night may hold the answer.  
So dont turn away, before the night,  
Before the night,  
Before the night is gone.  
Dont turn away from me baby,  
No, no, no, no.  
Dont put me away,  
Dont walk away from me darling.  
I need your love,  
Oh baby,  
I need your love to rescue me,  
An Im coming for you, baby.
