

Whitesnake, Gettin Tighter

When night time comes
And Im ten thousand miles away
Just lose yourself
And watch the band kick back and play
Get up - keep in line
Its gettin tighter all the time
You say youre feelin fine
Its gettin tighter all the time
Get a load off your mind
This place is right
Its hard to find
The mood is set alright
Its gonna be a long long night
You keep spinnin round
You find it hard to touch the ground
And time is all it takes
Youll find it easy once you make
Get up - keep in line
Its gettin tighter all the time
Gettin tighter
Gettin tighter
