## Whitesnake, Gettin Tighter

When night time comes And Im ten thousand miles away Just lose yourself And watch the band kick back and play Get up - keep in line Its gettin tighter all the time You say youre feelin fine Its gettin tighter all the time Get a load off your mind This place is right Its hard to find The mood is set alright Its gonna be a long long night You keep spinnin round You find it hard to touch the ground And time is all it takes Youll find it easy once you make Get up - keep in line Its gettin tighter all the time Gettin tighter Gettin tighter
