

Whitesnake, Give Me More Time

I want you
I need your rhyme,
But, you keep saying, babe,
Its gonna take time.
I know the heartache
I put you through,
Believe me, babe,
Im gonna make it up to you.
You are the reason
Im down on my knees,
Im begging you to give me a chance
If only you would
Give me just a little more time,
Give me just a little more time,
Give me just a little more time,
Give me just a little more time,
To prove it to you.
So many feelings
I cant explain,
I never thought Id ever cause you any pain
Now Im alone here
An I cant hide,
The sun dont shine for me
Without you by my side.
You are the reason
Im down on my knees,
Im begging you to give me a chance
If only you would
Give me just a little more time,
Give me just a little more time,
Give me just a little more time,
Give me just a little more time
To prove it to you.
An Im gonna prove it.
(Solo)
I want you
Right by my side.
Cos youre the only one who keeps me satisfied.
I need your loving,
I need your charms,
I cant stand the through of you
In someone elses arms.
You are the reason
Im down on my knees,
Im begging you to give me a chance
If only you would
Give me just a little more time,
Give me just a little more time,
Give me just a little more time,
Give me just a little more time
To prove it to you.
An Im gonna prove it.
