Whitesnake, Lie Down

You got the smile of a Monalisa, Know it all an' giving nothing away. You make the sins of a vestal virgin, Look nothing more that a roll in the hay.

So lie down, I think I love you, Lie down, I think I care. Lie down, I think I love you, Lie down, I think I care.

You give an air of the Dolce Vita, Society's made a queen out of you. Casanova couldn't take all your virtue, But, rock 'n' roll is gonna steal it from you.

So lie down, I think I love you, Lie down, I think I care. Lie down, I think I love you, Lie down, I think I care.

Come on, girl, it'll be alright, Easy does it nice and slow. Woah, you know, mama, that tonight's the night, Come on and let your feelings show.

Take a look in the mirror,
Tell me what you see.
If it ain't sweet surrender
You can blame it on somebody, not the devil in me.

So lie down, I think I love you, Lie down, I think I care. Lie down, I think I love you, Lie down, I think I care.

(Solo)

Take a look in the mirror,
Tell me what you see.
If it ain't sweet surrender
You can blame it on somebody, not the devil in me.

Lie down, I think I love you, Lie down, I think I care. Lie down, I think I love you, Lie down, I think I care...
