

Whitesnake, Love Don't Mean A Thing

If I work hard every day
For my money
If I work my finger down to the bone
That aint funny
Now if I see
Something I cant buy
I put a dollar down
Then I try try try
To get my money
I need my money
A woman who aint got a dime
I cant use her no
If she aint got no cash money
Ive got to refuse her
I need a woman
With a whole lotta will
So she help me, baby
Help me pay my bill
I need my money
Ive got to have money
I need lovin to give me a livin
So dont ask me I dont need forgivin
I will stand up to count the cost
But I know I wont stand the loss
I need a woman
With a whole lotta will
She can help me pay my bill
I need my money
I want my money
Before I say my prayers
I count my money
When I wake up
It has to be there
My money
You see, love - it dont mean a thing
When she loves you
She cant bring, cant bring you no money
Ive got to have my money
Lookin for lovin
I need a livin
