

Whitesnake, Mistreated

Ive been mistreated,
Ive been abused.
Ive been struck downhearted, baby,
Ive been confused.
Cause I know,
Yes, I know,
Ive been mistreated.
Since my baby left me
Ive been losing my mind.
Ive been lonely,
Baby, Ive been cold.
Ive been looking for a woman
To have and hold.
Cause I know, oh baby you know
Ive been mistreated.
Since my baby left me
Ive been losing, losing,
Baby, Ive been losing my mind, losing my mind.
(Solo)
Ive been mistreated,
Ive been abused.
Ive been looking for a woman, a woman, a woman,
Baby, Ive been confused.
Cause I know, yes, oh baby I know
Ive been mistreated.
Since my baby left me
Ive been losing, losing,
Babe, Ive been losing my mind, losing.
Ive been losing my mind...
Baby, oh yeah, Ive been losing my mind.
