

Whitesnake, Need Your Love So Bad

I need someone's hand to lead me through the night
Need someone's arms to hold and squeeze me tight
When the night begins, I'm at an end
Because I need your love so bad

Need some lips to feel next to mine
Need someone to stand up and tell me when I'm down
When the lights are low and it's time to go
That's when I need your love so bad

So why don't you care and bring it no home to me
Run it on to me, baby, baby
So it can return to me
Try a little tenderness, still trying to remember
Because I need your love so bad

I need someone to talk to me at night
Don't want you to worry, baby
I know we can make everything all right
Listen to my plea, baby

Bring it to me cause I need your love so bad
Because I need your love so bad
