

# Whitesnake, Rock N Roll Angels

Im gonna tell you  
What is all about,  
Why I scream an I shout for you.  
Ive been an travelled  
All around the world,  
Teasin lottsa pretty girls like you.  
Oh, I feel my heart beating heavy,  
Banging like a big bass drum.  
An all you blue jeans queens  
Know exactly where Im coming from,  
Im looking for some.  
Rock an roll, rock an roll,  
Rock an roll angels.  
Rock an roll, rock an roll,  
Rock an roll angels.  
I cant hide what I feel inside  
Tho Ive tried an Ive tried  
I cant fake it.  
I get in trouble everywhere I go,  
Cos I cant say no,  
I gotta shake it.  
Oh, I feel my heart beating heavy,  
Banging like a big bass drum.  
An all you blue jeans queens  
Know exactly where Im coming from,  
Im looking for some.  
Rock an roll, rock an roll,  
Rock an roll angels.  
Rock an roll, rock an roll,  
Rock an roll angels.  
(Solo)  
I feel my heart beating heavy,  
Banging like a big bass drum.  
An all you blue jeans queens  
Know exactly where Im coming from,  
Im looking for some.  
Rock an roll, rock an roll,  
Rock an roll angels...
