

# Whitmore, Alison

Think about you every now and then  
Then I get so alone again  
All I know is Alison is gone  
And you know I'll never cheat on you  
Come back and I'll show you soon  
Think about the way things used to be  
I can't take any more  
What is my heart for?

Chorus

Alison I wanna talk to you  
Alison I'll be forever blue  
Alison?Alison

Now you're gone  
And friends is cool  
I think of all the shit I put you through  
Don't you know I'm glad that it's the end  
I was alone when she came along  
A brand new girl and a brand new song  
Just to let you know that things are done

I can't take any more  
What the fuck is my life for?

Chorus

Alison I wanna talk to you  
Alison I'll be forever blue  
Alison?Alison

Time has passed and things have changed  
But I think you've stayed the same  
Time has passed and I'm alright  
Come check out this new girlfriend of mine

Don't wanna talk about this  
Don't wanna talk about it  
Don't wanna talk about this?no no

Alison?I wanna talk to you  
Alison?I'll be forever blue  
Alison?don't wanna talk to you  
Alison?I'll always cheat on you?Fuck you!
