

Whitney Houston, I Have Nothing (Finished One)

Share my life
Take me for what I am
Cause I'll never change
All my colours for you.
Take my love
I'll never ask for too much
Just all that you are
And everything that you do.
I don't really need to look, very much further
I don't wanna have to go where you don't follow
I won't hold it back again, this passion inside
Can't run from myself, there's no where to hide.
But don't make me close one more door
I don't want to hurt anymore
Stay in my arms if you dare
Or must I imagine you there
Don't walk away from me
I have nothing, nothing, nothing
If I don't have you (youuu... youuu...)
You see through right to the heart of me
You break down my walls
With the strength of your love(mm...)
Uhh,I never knew love like I've known it with you
Will our memory survive
One I can hold on to.
I don't really need to look very much farther
I don't wanna have to go where you don't follow
I'll hold it back again this passion inside
I can't run from myself there's nowhere to hide
Your love I remember forever.
Don't make me close one more door
I don't want to hurt anymore
Stay in my arms if you dare
Or must I imagine you there
Don't walk away from me
I have nothing, nothing, nothing...
Don't make me close one more door
I don't want to hurt anymore
Stay in my arms if you dare
Or must I imagine you there
Don't walk away from me, no,
Don't walk away from me
Don't you dare walk away from me
I have nothing, nothing, nothing
If I don't have you, youuu
If I don't have you
Oh oh oh.
