

Whitney Houston, I'm Every Women

Whatever you want
Whatever you need
Anything you want done baby
Ill do it naturally
Cause Im every woman
Its all in me
Its all in me

(chorus 1): Im every woman
Its all in me
Anything you want done baby
I do it naturally

(chorus 2): Im every woman
Its all in me
I can read your thoughts right now
Every one from a to z

I can cast a spell
Of secrets you can tell
Mix a special brew
Put fire inside of you
Anytime you feel danger or fear
Instantly I will appear, cause

(chorus 1)

Oh, I consent your needs
Like rain on to the seeds
I can make a rhyme
Of confusion in your mind
And when I comes down to some good old fashioned love
I got it
I got it
I got it, got, got it, baby, baby, baby

(chorus 1 & 2)

I aint braggin
Cause Im the one
Just ask me
Ooh, and it shall be done
And dont bother
To compare
I got it
