

# Whitney Houston, Lover for life

I hope that you realize baby, just what you mean  
to me

Hey you where I run for cover, your loving  
shelter for me

And when I find myself needing some lifting up

One night with you and that always is enough

Hey you make being in love, a true rare affair

So take me I'm your prisoner

Chorus:

Will you sentence me to be your lover for life

Your lover for life

Will you sentence me, I want to be you lover for  
life

Your lover for life

I just want to hear you say

You'll be my lover, lover for life

Capture, there's no getaway

You're my lover, my lover for life

Under your spell or under my own power

It really doesn't matter to me

See I fell in love the first time I saw you

And have been falling in love ever since

You heard my testimony, you've seen my evidence

Hey, it's a crime of passion, in every sense

And justice won't be served, till you stay here  
in my world

Take me I'm your prisoner

chorus
