

Whitney Houston, When You Believe

Many nights we pray
With no proof anyone could hear
And our hearts a hopeful song
We barely understand
Now we are not afraid
Although we know there's much to fear
We were moving mountains long
Before we know we could

There can be miracles
When you believe
Though hope is frail
It's hard to kill
Who know what miracle
You can achieve
When you believe
Somehow you will
You will when you believe

In this time of fear
When prayer so often proves in vain
Hope seems like the summer birds
Too swiftly flown away
And now I am standing here
My heart's so full I can't explain
Seeking faith and speaking words
I never thought I'd say

There can be miracles
When you believe (When you believe)
Though hope is frail
It's hard to kill
Who know what miracle
You can achieve (You can achieve)
When you believe
Somehow you will
You will when you believe

They don't always happen when you ask
And it's easy to give in to your fear
But when you're blinded by your pain
Can't see your way safe through the rain
Thought of a still resilient voice
Says love is very near

There can be miracles (miracles)
When you believe (When you believe)
Though hope is frail
It's hard to kill
Who know what miracles
You can achieve (You can achieve)
When you believe
Somehow you will
You will when you believe
You will when you believe
You will when you believe
Just believe
You will when you believe
