## Whitney Houston, You Give Good Love

I found out what I've been missing Always on the run I've been looking for someone

[Chorus:]
Now you're here like you've been before
And you know just what I need
It took some time for me to see
That you give good love to me baby
So good, take this heart mine into your hands
You give good love to me
Never too much
Baby you give good love

Never stopping, I was always searching For that perfect love The kind that girls like me dream of

[chorus]

Now I, I can't stop looking around It's not, what this loves all about Our love is here to stay, stay

[chorus]
