

Whitney Houston, You'll Never Stand Alone

If there's a time when the fears should fill your eyes
And you can't see past the shadows
To the sun on the other side
Don't despair, because there always will be
someone there
Don't lose faith, love won't let you lose your way
Because

You, you'll never stand alone
I'll be standing by
I'll keep you from the cold
I'll hold you when you cry
I'll be there to be strong

When you can't find the strength inside
And you, you'll always have a home
In these arms of mine
You'll never stand alone
Love is standing by

If there's a day when the rain should find your heart
And you're cold and tired and lonely
And this would have you in the dark
Don't be scared, you can just reach for me and I'll be there
Don't lose hope, love will see you through you know
Because

You, you'll never stand alone
I'll be standing by
I'll keep you from the cold
I'll hold you when you cry
I'll be there to be strong

When you can't find the strength inside
And you, you'll always have a home
In these arms of mine
You'll never stand alone
Love is standing by

Standing by to life you above all the hurt and pain
Standing by to carry you through all the tears and pain
Reach for me, I'll be with you
Reach for me, I'll see you through

I'll be the one to hold you
The one to show you that
You, you'll never stand alone
I'll be standing by

I'll keep you from the cold
I'll hold you when you cry
I'll be there to be strong
When you can't find the strength inside
And you, you'll always have a home
In these arms of mine
You'll never stand alone
Love is standing by
