

# Who Is Fancy, Boys Like You (ft. Ariana Grande,

I'm in the deep end, cannonball jump  
Thinking of your love and my heart beats like a drum  
Not feeling guilty, cause the water's just right  
Oh, it might be wrong, might be the time of your life

So jump on in with me  
Let me set you free  
I'll make you feel like you're dreaming

Try try try, to follow the rules  
I break everyone of them with boys like you  
My oh my, doing what I always do  
Yea I'm crossing every line to get to boys like you

Boys like you, you, tripping, freaking falling over boys like you

[Meghan Trainor]  
It's getting hot out under that summer sun  
I'm not playing games, I'm just a girl having fun  
I need to cool down, cause I know we're just friends  
But one look from you baby then I'm falling back in

What's a girl to do?  
I got it mad for you  
You make me feel like I'm dreaming

Try try try, to follow the rules  
I break everyone of them with boys like you  
My oh my, doing what I always do  
Yea I'm crossing every line to get to boys like you

Boys like you, you, tripping, freaking falling over boys like you

[Ariana Grande]  
I get a feeling, looking you in the eye  
Know you wanna take a bite of my cherry pie  
Get so excited, boy you're making me blush  
Let's just take our time now, there ain't no need to rush, no

Why don't you make a move?  
You got nothing else to lose  
Just make me feel like I'm dreaming

Try try try, to follow the rules  
I break everyone of them with boys like you  
My oh my, doing what I always do  
Yea I'm crossing every line to get to boys like you

Boys like you, you, tripping, freaking falling over boys like you

I got that something I know you can't resist  
I'm gonna make you feel it when I blow you that kiss
