

# Whodini, One Love

The L(echo 3x)  
The O(echo 3x)  
And the V (echo the V 3x)  
The E(echo 3x)  
Love (echo 3x)  
Love (echo 3x)  
Love (echo 3x)

Verse 1:

[Ecstasy]

Well there's love and life, both have four letters  
But there's two, different things all together  
Cuz I've liked many ladies in my day  
But just like the wind, they've all blown away  
You see, to love someone is atmosphere  
But to both they'll share, when ones not there  
There's no one way, it can be explained  
I guess it's the way I smile, when I hear your name  
It's the little things that you do, that mean so much  
It's the care that you put, into every touch  
It's the way I touch you, and you touch me  
I guess some of us, are so lucky

[Jalil]

I was known for having, the upper hand  
I was known as a stone cold ladies man  
If it wasn't for you, I'd be that way still  
But lately there's a change, in Jalil  
All thought my friends play games, and teach me a lot  
I know I'm more than happy, wit what I got  
When I get up in the morning, and go to work  
See all day long, I stay alert  
'Til we come home at night, and close your door  
Two people sharing, one common cause  
When I say one love, you can trust me  
Cuz never have I been so lucky

Chorus:4x

[Ecstasy]

And we represent like this)

[Jalil & Ecstasy]

One Love, One Love

You're lucky just to have just One Love

Verse 2:

[Ecstasy]

Now the love I use to have just left me cold  
I use to buy everything from diamonds to gold  
For I thought she'd left me, cuz I didn't buy her enough  
Cuz she left me alone, with all of my stuff  
That maybe one of these days, you'll have to learn  
That love is something, that you have to earn  
And once you earn it, you gotta know how to keep it  
You got to want it, as well as you need it  
To have lost love, was a hurten lesson  
But to a mad love, it's a definate ?  
And I know what the Beatles were thinking of  
When they said that money can't buy you love

[Jalil]

Well thats all stuff, what do you mean  
I just went through, the exact same thing  
M-m-mind was lost, for a whole different reason  
I lost my love, cuz she was cheatin'

Started roamin' through the streets, all day and night  
Gets greedy best describes such an appetite  
Wish I had a bat, but if you means a whip  
Guess a bird in the hand, beats two in the bush  
Like to thank you girl, for teaching me love  
But all and all, I had a ball  
Guess it's better to have loved and to have lost  
Then to never have loved at all

Chorus:4x

[Ecstasy]

Well I think it's 'bout time, that we break it down  
This is all about the love, that we lost and found  
About the love that we ?, and the love that we shared  
About the love that just, up'd and disappeared  
About whos was bout real, and who was fake  
So you can learn, from our mistakes

[Jalil]

Cuz see it was already written, good and said  
So you can stay, two steps ahead  
Of the L(echo), for the love which you give  
The O(echo), is for the love who we live  
And the V(echo), is for the vivrant letter  
The E means may we last forever and ever(echo 7x)

Chorus: 2x
